Overview

Adds members to the State Emergency Council (Council) and requires the Governor to convene the Council within a certain time period after proclaiming a statewide state of emergency.

History

Current statute establishes the Council that consists of 14 members that include, but are not limited to, the Governor, the Secretary of State, the President of the Senate and the Speaker of the House of Representatives both of whom are advisory members. The Council is charged with making recommendations for policies and procedures to the Governor and issuing a state of emergency proclamation if the Governor is inaccessible. Additionally, the Council is required to monitor each emergency declared and the activities and response of the division to the emergency. Finally, the Council is tasked with recommending to the Governor or Legislature based on the submitted reports by the auditor that the emergency conditions have stabilized and the emergency is substantially contained ([A.R.S. § 26-304](#)).

Provisions
