

2024 WALK FOR

INCLUSION

WE'RE BETTER TOGETHER!

Inclusion in early childhood education is key! Research has shown that when young children with disabilities are educated alongside their non-disabled peers they make greater academic gains and are more motivated to learn. Inclusive education means every student is valued for their strengths, gifts, and even challenges.

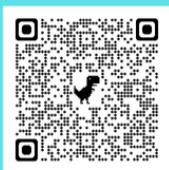

Join the Arizona Division for Early Childhood in our annual virtual "Walk for Inclusion" during the month of March.

You can walk ANY day in March!

Walk anywhere you want - alone, with a friend, your pets, or get your team together!

Submit pictures as prize entries by April 1 to:
azdec48@gmail.com.

Order your Walk t-shirt at
StateForty-Eight.com
